

Gibsons School of the Arts Checklist

- Class registration and payment of deposit
- Payment of tuition balance 30 days prior to class
(You will receive a follow up e-mail reminder)
- Book accommodations if you are coming from off the Coast
(Summer is a busy time on the Coast so book early!)
- Make BC Ferries reservation(s) if travelling at peak times
Ferry traffic is heavy during the summer months and can often result in sailing waits. Reservations for specific sailings can be on the BC Ferries website - see website for more details. Reserving with as much advance notice as possible is advised as there are a limited number of available bookings per sailing and advance reservations are less expensive.
www.bcferrries.com
- Download supply list from Gibsons School of the Arts website
www.gibsonsartschool.net
- Purchase your supplies and get organized
(Art supplies are available locally but selection may be limited)
- Pack your stuff !!

Notes

There is a reception for the instructor and all students the evening before the first day of class - please plan your travel so you can join us

Don't forget to make pet care, house sitting, child care and garden watering arrangements so you can forget about day-to-day stuff and focus on your art!

There are numerous restaurants close to the school for lunch and several grocery stores in Gibsons if you prefer to brown bag it

Please contact the school if you have any questions at all!
