

Supplies List for *Creating Dynamic Compositions to Abstract the Urban Landscape*
July 18 to 21, 2022
Gillian Richards

Acrylic Paint:

UltraMarine Blue
Prussian Blue
Cadmium Medium Yellow
Hansa Yellow
Burnt Sienna
Burnt Umber
White
Azo Red middle
Quinacridone Magenta

Acrylic Glazing Liquid, gloss or satin (Golden) or Golden Open Thinner. Available at Opus Art Supplies

Please bring other acrylic colours you have or like to use
I recommend brands: Golden, Opus Essential, Liquitex or any medium to heavy body professional grade paint. Student grade paints tend to change colour as they dry and the pigments often separate when diluted with water.

Palette:

Wax paper palette pad (large size) and/or plastic or metal mixing tray or whatever you use to mix paint on.

One or two painting knives (palette knives) for mixing colour

Brushes:

Flats for acrylic painting: #2, #4, #6, #8, #10, #12
These should be in good shape, (no splayed or separated bristles) and on the stiff side, not too soft or floppy. My favorite are the Opus brand, "Denman"

Please bring Filberts, Angled and Round acrylic brushes too if you have them and a few small detail brushes

Large brushes if you have them, 2" to 4" gesso brushes or any other large acrylic brush you may have. I will have a few for us to share too.

Painting Surfaces

Yupo synthetic paper pad (medium weight), 11"x14" or 9"x12"
2x single 26"x40" sheets of Yupo medium or heavy weight for your larger works. These available at Opus and Deserres

If you prefer to do your larger work on canvas bring 2 gessoed canvases (not raw canvas or or pre-painted) 24"x30" or 30"x 36". You may not use all these, but they will be good to have as back up

Miscellaneous

Plastic 1 liter spray bottle for water. The trigger kind (not pump kind) with a good misting function

Gallon pail (paint can or ice cream bucket are good)

A few small yogurt containers with lids for mixing washes/glazes

A few cotton rags and or roll of paper towel

Sketch book or photocopy paper to draw on

Pencil and small black felt pen

Masking tape

Clips for clamping Yupo paper to boards (I will supply the boards)

Please contact Gillian directly if you have any questions about this list:
